

A wizard in a purple hooded robe with gold trim is casting a spell. He has a goatee and is wearing a necklace with a circular pendant. He is holding a glowing orb of energy in his hands, with bright yellow and orange lightning bolts emanating from it. The background is a dark, starry space with purple and blue nebulae. The wizard's belt has a sword and several pouches.

**GAMEART**

YOUR WORLD OF GAMES

## ABOUT GAMEART

GameArt is an **independent online casino software provider and developer**, providing **innovative games** and **cutting-edge solutions** dedicated to **online and land-based gaming operators**. GameArt's core business is the development of **high-quality HTML5 slot games** and **gaming content** for both **online and land-based casino operators** in **regulated markets**.

Our **top-quality games** are the result of a **creative team** that's driven by the freedom to explore and develop new ideas, and most importantly to turn them into reality.

# OUR PRODUCTS

## HTML 5 SLOT GAMES

Releasing at least **one new game per month**, we pride ourselves on creating innovative, attention-grabbing games while maintaining a **high standard of quality**.

Our games are adaptable for **any market**, are **compatible with various devices** (desktop, tablets, and smartphones), and require **very minimal loading time**.

## MULTI-GAME MACHINES

GameArt's TRON-E and ARGO multi-game machines offer the perfect solution for any land-based casino or gaming environment as operators can easily configure their machines with a choice of GameArt's high-quality slots from our growing portfolio of more than 90 games.

## HYPERWAYS™

HyperWays™ is GameArt's **new, revolutionary game mechanic** devised whereby each symbol in a HyperWays™ game can land with up to a 9x symbol multiplier, giving a maximum potential of **60,466,176 ways to win**. This number of ways to win is achieved on a standard 5x4 reel.
