GAMEART

NEW MULTI-GAME MACHINES

TRON-Ē

Prepare to experience a new dimension in gaming as we make popular GameArt titles, that players around the world already know and love, available on land-based machines for the very first time.

Our new customisable multi-game machines are the perfect solution for any land-based casino or gaming environment. Configure your machines with a choice of high quality slots from our growing portfolio of more than 90 games.

Releasing at least one new game per month, we create and supply the slots that players really want, making our products a powerful attraction whether online or land-based. And, because our slots are already proven in markets all over the world, you can pick the games that best suit your players with complete confidence.

We hold a GLI-11 certificate from Gaming Labs International (GLI), which proves our determination to supply high-quality, entertaining, and compliant games to discerning operators.

JACKPOT

GameArt Mystery Jackpot supports up to 3 different Mystery Jackpots – Bronze, Silver and Gold, which are common for all machines in the network. Each of the Mystery Jackpots can be individually set up. The formation of Mystery Jackpot values is based on the stakes placed on all machines during the game and each Mystery Jackpot can be won randomly by each gaming machine.

CONFIGURABLE TO YOUR NEEDS

GameArt slot cabinets are created to be flexible, allowing different configuration options. They can be installed individually or arranged in groups of several slot machines, depending on the available area at the casino floors and meeting the operators' requirements.
