## STORY

In a world of magic and mystery, two powerful sorceresses, Zephyra, the Green Nymph, and Morana, the Purple Succubus, vie for control over the land's magical energy. They embark on a dangerous journey to harness the power of an ancient symbol of destiny. Battling creatures and each other, they reach the symbol, but their greed leads to a fierce clash. One sorceress emerges victorious, creating a game called Fate's Fury, where players can experience the magic and power of their world, battling with the sorceress and unlocking special features.

## HIGHLIGHTS

- › Cluster Cascade with 5x5 grid and 3x3-reel Battle Zone within
- › "X" shaped Sticky Wild Zone in the middle of the Battle Zone
  - › Wilds collected in Battle Zone trigger Battle Mode
- › Battle Mode comprises 2 fighting sorceresses; the winning sorceress triggers 10 Free Spins
  - › 10 Health Points and 5 Magic Points per sorceress
- › Wild or Scales of Fate Mystery Symbol landing in Magic Catcher triggers special feature
  - › Mana Metre triggers 8 features
