COMPANY PROFILE

ABOUT GAMEART

GameArt is an **independent online casino software provider and developer**, providing **innovative games** and **cutting-edge solutions** dedicated to **online and land-based gaming operators**. GameArt's core business is the development of **high-quality HTML5 slot games** and **gaming content** for both **online and land-based casino operators** in **regulated markets**.

Our **top-quality games** are the result of a **creative team** that's driven by the freedom to explore and develop new ideas, and most importantly to turn them into reality.

OUR PRODUCTS

HTML 5 SLOT GAMES

Releasing at least **one new game per month**, we pride ourselves on creating innovative, attention-grabbing games while maintaining a **high standard of quality**.

Our games are adaptable for **any market**, are **compatible with various devices** (desktop, tablets, and smartphones), and require **very minimal loading time**.

MULTI-GAME SLOT MACHINES & ELECTRONIC ROULETTE

GameArt's TRON-E and ARGO multi-game machines offer the perfect solution for any land-based casino or gaming environment as operators can easily configure their machines with a choice of GameArt's high-quality slots from our growing portfolio of more than 100 games.

The automated electronic Roulette powered by GameArt is a brand-new product developed by Tronius and incorporates enhanced technology, eye-catching design, and carefully selected materials.
